1. ABOUT SUTTER

Equites Sauteur (Sutter) was bred by Lana Smith of Rosenol Performance Horses. At three, Sutter was purchased as a development prospect for junior rider Caitlyn Sutherland in the Equites Program, managed and coached by Brian Vicars and Olympian Sandra Donnelly.

Sutter is an exceptionally rideable and trainable horse. He has excelled in a professional eventing program and has proved himself to be a horse with a good work ethic, who is friendly, amiable, and eager to please. Sutter's way of going makes him easy to sit in all his gaits.

At FOUR, Sutter regularly hacked out alone, regularly trailered alone, swam, and was willing and happy to do whatever he was asked. He competed in his first horse trial as a 4 year old at Prentice Creek - Entry division. With no rails or jump faults, he finished his first event on his dressage score. On his first cross-country, he behaved like an experienced packer. Sutter went on to win the 4-year-old division of the Alberta Event Horse Prospects and win the reserve Champion overall. He finished first at his third and final event of the season. Sutter ended every competition on his dressage score his first season out.

At FIVE, Sutter was upgraded to Pre-Training and Novice. He is a natural talented eventer at 5 years of age. He has excellent dressage scores and became confident at XC Pre-Training, completing XC clear at Rebecca Farms in July 2022 and clear in XC at the American Eventing Championships in August 2022.

Sutter is brave and trusting of his rider, with a naturally forgiving and easy nature. He has an excellent natural point of balance, is a careful jumper, and is nice to ride. He has a nice, big gallop with a large stride and a big scopey jump over fences. On the flat, he has nice smooth gaits and easy transitions. At home, he has an in-your-pocket personality and can always be found waiting at the gate for his rider!

We are excited to see how this eager and easy young fellow progresses!

2. RESULT HIGHLIGHTS

- **2022 American Eventing Championships Rebecca Farms
Open Senior Novice (Pre-Training)**
3rd Place: Dressage: 32.2 Cross Country: 0 time / 0 jump
Showjumping: 0 time/4 jump

- **2021 Prentice Creek Horse Trials – Entry Open**
Dressage: 32.2 Cross Country: 0 time / 0 jump
Showjumping: 0 time/0 jump

3. BREEDING

I. SIRE LINEAGE

A. Sire: Leeto Z – Zangersheide (CWHBA approved)

Sutter's sire, **Leeto Z** is an exceptional young stallion in many ways. Beautiful, correct conformation, powerful and elegant movement, combined with incredible scope make him an all-around exceptional athlete. Although, perhaps his best feature, is his intelligent and engaging personality that not only makes him a brave and willing partner, but also a quick learner and simple straight forward ride. At his Canadian Warmblood Stallion Performance Test, he was the highest scoring stallion for temperament and rideability. From what we can tell, his foals all seem to have his temperament as well.

Leeto Z's sire is Lucino, who is by **Landlord Z** who is by **Landgraf I**.

Landgraf I: By the end of the 1980's, **Landgraf I** was rated best amongst all sires that had stood at stud in West Germany, and his sons can be found in most breeding regions throughout the world. **Landgraf I** became the most important sire of show jumpers in the twentieth century having sired the most money winning show jumping offspring in the World.

B. Dam of Sire:

Leeto z's dam is by **Crack I** who is by **Corrado I**. Through his dam's grandsire, **Corrado I** combines the blood of **Cottage Son xx** with that of **Cor de la Bryere**. As of 2006, **Corrado I** has produced 95 offspring for the international level show jumping arena. In 2008, **Corrado I** was ranked in 19th in the WBFSH list of top sires of FEI jumpers.

Cor de la Bryere: **Cor de la Bryere** is one of the most influential stallions in modern Warmblood breeding and can be seen in more than 70% of modern Holsteiner bloodlines. He was recognized as the "Reserve Stallion of the Century" second only to **Landgraf I**. "Corde" has produced many top-level competition horses including **Contrast**, the three-day Eventer, the international show jumpers, **VDL Corland** and **Costa**, plus the great 1988 Olympic Dressage Silver Medalist, **Corlandus**. He also sired **Calando I** through **IV**, **Caletto I, II, and III**, **Calypso I through V**, and **Cordino**. His offspring tend to have good free shoulders along with higher knee action making them very suitable for jumping.

With these world class bloodlines, elegant, modern type, tremendous work ethic and even temperament, **Leeto Z** is proving to be a sire that passes all of these attributes on to his progeny.

II. DAM LINEAGE

A. Dam Sire: Sir Sinclair – Dutch Warmblood

Sir Sinclair is one of the most prolific sires of FEI dressage horses worldwide. He has been ranked the #1 USEF Dressage Sire for six consecutive years, 2015-2020. He was also awarded the prestigious Keur predicate by the KWPN for his excellence as a sire, and has won the Get of Sire class six times at historic Dressage at Devon.

Sir Sinclair Winning Offspring

Sir Sinclair has sired numerous Grand Prix horses, including Dee Clair, Caymus, Cantata, Con Brio SDF, Zuperman, William, Air Marshal, Warina, Westerstorm and Zania. He also has dozens of sons and daughters competing at the FEI level around the world. He is the sire of one Approved stallion and two licensed sons, as well as numerous Star and Keur mares.

His offspring have earned illustrious championships, including the US Dressage Finals Grand Prix Championship (William), Reserve National Grand Prix Champion at the US Festival of Champions (Dee Clair) and World Equestrian Games (WEG) team gold and individual silver medals in combined driving (Whooper). Other impressive titles earned by Sir's sons and daughters include first place in CDI3* Grand Prix classes, numerous USDF Horse of the Year and USDF All Breeds Horse of the Year Awards at FEI level, GAIG/USDF Regional Championships, KWPN-NA North American Championships, and so much more.

Sir Sinclair is also a versatile sire with winning hunter, jumper and eventing offspring.

Sir Sinclair Career in Sport

Sir Sinclair's athletic ability was obvious at an early age. He began his career as an impressive young athlete, placing in the Top Ten in the prestigious PAVO Cup in the Netherlands before being imported to the United States. Sir competed in the FEI Young Horse divisions, claiming the Markel/USEF Six-Year Old Championship and the Markel/USEF Five-Year-Old Reserve Championship, and represented the United States at the World Young Horse Championships in Verden, Germany. He continued moving up the levels to Prix St. Georges and Developing Horse classes with scores as high as 72%. Sir successfully schooled and showed great talent for Grand Prix, but was unable to compete due to chronic Lyme disease.

Equites Sauteur – 2017 Bay Gelding, 16.3

Sir Sinclair Performance Achievements

- 2006 1st Place, Prix St. Georges Challenge, Dressage at Lexington, 72.5%
- 2005 USDF FEI Six-Year-Old Horse of the Year
- 2005 Markel/USEF National Six-Year-Old Champion
- 2005 10 Wins in the FEI Six-Year-Old Division
- 2005 1st Place Six-Year-Old FEI Test, Dressage at Devon, 87%
- 2004 Awarded the KWPN-NA DG Bar Cup for Young Horses
- 2004 Competed in World Championships for Young Dressage Horses
- 2004 Markel/USEF National Five-Year-Old Reserve Champion
- 2004 10 First Place Wins in USA
- 2003 9th Overall PAVO Cup, 9th PAVO Cup semi-finals
- 2002 Top Dressage Horse in 70-Day Test at Ermelo

B. Dam of Dam - Thoroughbred

Sutter's Dam of Dam was a full thoroughbred mare with lineage back to successful racehorses Never Bend and Executioner who were both substantial money earning racing stallions in the 1970's.
